

HOLY ROSARY

NOTES & QUOTES

Mr. Mullis' Letter

April 30, 2025

The next two Sundays we will celebrate two occasions that are of great importance to us. First, we will celebrate with our second graders who will receive their First Communion this Sunday. They will be receiving the second of the sacraments of initiation; Baptism, First Eucharist, and Confirmation. This gives them a better understanding of their faith and a better realization of the depth of God's love. God provides for us in so many ways, many of which we do not even realize. His love is everlasting and unconditional. The celebration of First Communion is a reminder to all of us about God's loving nature and mercy for each of us.

Second is the next Sunday, May 11, Mother's Day. On this day, we honor our mothers for all they do to care for us and for their everlasting and unconditional love. There is an easy connection you can make between God's love for us and a mother's love for her children. They are both connected to family, tradition, and love. The nurturing nature of a mother mirrors God's nurturing nature towards us. A mother helps their child to grow in their abilities and become the person that God created them to be. It is a profound similarity and one that cannot go unnoticed when you take the time to consider the importance of these two celebrations.

I know that our second graders are eager to take this next step in their faith journey and in becoming another step closer to being a full member of the Church. We congratulate each of them on this occasion and wish them well on their continued journey towards God's salvation.

For all our mothers in the Holy Rosary family, we wish you a Happy Mother's Day! May your continued nurturing of your children bear fruit in them and become an image of God that they can use to guide their lives. You are the foundation of our families and your hard work, love, and dedication do not go unnoticed. Happy Mother's Day!
