## NOTES & QUOTES

### Mr. Mullis' Letter

August 14, 2024

Welcome to Holy Rosary School's Wednesday Newsletter! This is our school's most comprehensive communication tool that we send each week to keep everyone up to date on all that is going on at Holy Rosary. It is important that everyone read through the newsletter each week. It will inform you of our many activities, answer questions you may have throughout the year, and give you opportunities to support our different organizations events. If you have a Holy Rosary event that you are organizing and would like to put your information in the Wednesday Newsletter, you may email Tracy Thompson to request placement in the newsletter, [tracy.thompson@holyrosarymemphis.org](mailto:tracy.thompson@holyrosarymemphis.org). All information must be sent to Mrs. Thompson by Monday afternoon to make it in that week's newsletter. Anything received after Monday afternoon will be placed in the following week's newsletter. Lastly, if your business would like to place an ad in the newsletter you will need to email your digital file to Mrs. Thompson. She will let you know the cost to place your ad in each week's newsletter.

We have had a tremendous start to our school year. Our students have come to school with a positive attitude and are working hard to fulfill the teachers expectations. This year we have just over 100 new students at Holy Rosary. All of these new students seem to have adjusted very quickly to our school environment and are quickly making new friends. I'm also proud of our returning students who have reached out to these new students to help with their transition to a new school. It is great to see how everyone is working together to start our school year.

Please watch for three emails coming your way. One will clarify our drop off and pick up procedures. After our first week in school, there are a few items we need to correct so that our students arrive and depart from school safely. The second email will give further information to you on our new Raptor system. This is the system we are using when you check in at the office to make sure all visitors are approved to be in the school. The third email will introduce you to Holy Rosary School's new Positive Behavioral Interventions and Support plan. This is something that our staff worked on since the end of last school year. The PBIS plan lays out the behavioral expectations we have for our students for each area of the school; i.e. Classrooms, Hallways, Bathrooms, Cafeteria, etc. Along with the email, I will attach our PBIS chart that hangs in each classroom. These are daily reminders of what is expected of Holy Rosary RAMS.

Welcome to our new families. Welcome back to our returning families. We look forward to an awesome year and to seeing all of you throughout the year. Be involved in your child's education and get to know his/her friends and their parents. It is in your best interest to know more about your child's school, and their classmates and parents.

Have a great week!

Brand new uniforms look great but it's really sad when they go to the used uniform sale because they don't have names in them.

Please remember to put your name in/on everything. Coats, sweaters, lunch boxes, water bottles, even shoes would help.

If we know who it belongs to, we will return it to you.

Please, please add our phone number to your phone contacts. When we try to call you during the day, it is usually because we have a child that is not feeling well or it is an emergency. We need you to see that it is the school calling.
