Notes & Quotes

#### Mr. Mullis' Letter

August 27, 2025

As we settle into the new school year, we want to take a moment to emphasize the importance of consistent home routines—especially when it comes to homework time and morning preparation.

Establishing strong, predictable routines at home can make a significant difference in your child's academic success, emotional well-being, and overall readiness for each school day. Children thrive on structure, and having routines in place helps them feel secure, confident, and organized.

#### **Homework Routines**

A designated time and quiet space for homework each evening reinforces the value of learning and helps students stay focused. Here are a few helpful tips:

- Choose a consistent time each day for homework, ideally after a short break following school.
- Provide a quiet, distraction-free space with necessary supplies.
- Encourage your child to try their best and ask for help when needed—but let them complete the work themselves.
- Review completed homework and discuss any challenges together.

#### **Morning Routines**

Mornings set the tone for the rest of the day. A calm, organized start helps students arrive at school, on time, ready to learn. Consider:

- Preparing backpacks, lunches, and outfits the night before.
- Ensuring your child gets enough sleep (elementary-aged children need 9-11 hours).
- Waking up with plenty of time to avoid feeling rushed.
- Keeping morning tasks (getting dressed, brushing teeth, eating breakfast) in the same order each day to build independence.

By building and maintaining these routines, you are helping your child develop responsibility, time management, and a sense of control over their day—skills that will benefit them for years to come.

Thank you for your continued partnership and support in your child's education. If you have any questions or would like support in building routines at home, please don't hesitate to reach out.

Have a great week!

Annual Fund
Why does Holy Rosary School have an Annual Fund?

#### WHY GIVE TO HOLY ROSARY?

As a Catholic school, Holy Rosary strives to keep tuition affordable and accessible to all. Tuition alone does not cover the full cost to educate a Holy Rosary student each year. When you give that gift, it allows us to continue to offer the most for your child/children.

WHAT IS THE ANNUAL FUND? Gifts made annually to support essential needs. The annual fund bridges the gap between tuition and the actual cost to educate a student.
