

HOLY ROSARY

NOTES & QUOTES

Mr. Mullis' Letter

August 9, 2023

Welcome to the 2023-2024 school year at Holy Rosary! This school year holds great promise for all of us. Working together we will provide a quality education for our students while instilling a love of God, one another and for learning. I thank you for being a part of this process and encourage each of you to be as involved as your time allows. There are many opportunities; from being a room parent, to helping in the cafeteria or the library, field day, class parties, field trip drivers, etc. The list goes on and on. As the year goes by, find one of the many activities to get involved with and be a part of your child's education. Your help is also needed in keeping up with your child's work. Ask them each night about their day. Check on their homework. Make sure it is done and in their book bag ready for school the next day. Help them to set up a little study area in your home that will provide them with the appropriate atmosphere to do their work. It is up to us to help them learn the proper ways to organize and to study. Again, working together we can help our children reach their potential.

For all of our returning parents, please take the time to introduce yourselves to our new families. You all know what it was like to be the new family, so let's help them get accustomed to Holy Rosary. Show them what being a member of Holy Rosary School is all about. To our new families, welcome and don't be shy. Jump in and get involved in some of the activities I listed above. This is how you get to know your child's friends and their families. We are glad you are here and part of the Holy Rosary family.

Lastly, another reminder to drive safely through the parking lot. Please move slowly through the lot and be observant for any children or adults coming or going to school. We are watching out for the safety of all our students and families so please follow the rules as you enter and exit the campus. The parking spaces around Spalding Green, the ones on the East side of the lot on either side of the dumpster, the slanted ones on the North side and the ones in front of the gym are reserved for teachers. We have left the main lot for visitors who come and go throughout the day. If you arrive early in the morning, please do not park in the teacher spaces. Thank you.

We had an awesome first day of school today, well, at least until it started to rain. I guess this was as good a day as any to practice our rainy day dismissal procedures.

Have a great week!

Brand new uniforms look great but it's really sad when they go to the used uniform sale because they don't have names in them.

Please remember to put your name in/on everything. Coats, sweaters, lunch boxes, water bottles, even shoes would help.

If we know who it belongs to, we will return it to you.
