

HOLY ROSARY

NOTES & QUOTES

February 4, 2026

Mr. Mullis' Letter

I hope you all are safe, warm, and well after our extended snow and ice break. While I certainly understand that the unexpected time away from school disrupted normal routines, I am excited to welcome our students and staff back to school and return to the consistency and structure that supports learning.

As we transition back, we are working hard to review and reschedule school events that were postponed or canceled due to the weather. Our goal is to preserve as many opportunities for our students and families as possible, while being mindful of academic priorities and calendar limitations. Updated event dates and details will be shared as they are finalized. I ask for your patience as we evaluate these events and communicate any changes.

I would also like to sincerely thank you all for your flexibility, understanding, and support during this unusual stretch of winter weather. I recognize that extended school closures can create challenges for childcare, work schedules, and family routines. Your partnership and support allow us to focus on providing the best possible environment for our students as we return to school.

As always, I appreciate your continued trust in Holy Rosary Catholic School and your commitment to our school community. Please continue to monitor school communications for updates and important announcements in the coming days.

Have a great week!

Darren Mullis

Darren Mullis
Principal

Dates to remember

February
