If you have questions or concerns that are not addressed in the handbook, you are encouraged to contact the teachers or administrators in your school.

The administration reserves the right to modify its rules, policies, procedures or guidelines as published in this Handbook. Modifications made during the school year will be publicized through our website, holynosarymemphis.org, and our Wednesday newsletter.

MISSION STATEMENT

The Catholic Diocese of Memphis, Tennessee, System of Catholic Schools is committed to quality education in the spirit of Christ in accordance with the teachings of the Roman Catholic Church.

Holy Rosary Parish School provides children with the knowledge to develop their spiritual and academic life with the Catholic Church as their guide. Hand in hand with Jesus, we serve, we learn, we respect, we teach, and we grow.

- We believe that God creates each person in His image.
- We respect the students' individual differences.
- We provide a caring place for each student to develop his or her talents and skills.
- We promote responsibility to self, family, church, and community.
- We teach students to treat each other as Jesus did and to show that love for others.
- We believe in helping students become lifelong learners through challenging lessons.
- We believe in teaching the whole child: body, mind, and soul.

Working in partnership with parents and families, we are dedicated to providing a safe and nurturing environment while preparing our students for the future through spiritual, intellectual, physical and emotional formation.

EDUCATIONAL PHILOSOPHY AND GOALS

Holy Rosary recognizes that the family is the primary agent of the religious and moral education of the child. The school informs parents of school objectives, projects and activities, and enlists parental interest and participation in all possible ways.

Holy Rosary teaches Christian values consistent with the Gospel to encourage students to apply these values to daily life. Through the cooperative efforts of teachers and parents, the school seeks to provide experiences for each child to develop initiative, self-reliance and self-realization. In this effort we hope to develop strong Christians who will become the leaders of tomorrow. The school creates a Community of Faith through meaningful liturgical services, prayer experiences, Bible study, school assemblies and

STUDENT AND PARENT HANDBOOK

parish and community service activities. The religious education program strives to reflect the teachings of the Roman Catholic Church.

Although membership in the Catholic Church is neither required nor promoted to students of other faiths, there may be a student who expresses a desire to become a member of the Catholic Church. If this is the case, the school staff and Parish Pastoral Team will work with the student and his/her family to ensure that it is the sincere desire of the individual and that his/her family supports the student's decision and will assist the student to fully participate in parish life, especially Sunday worship.

Any child who has reached "catechetical age" (is registered for first grade) and wishes to be received into the Catholic Church must fulfill the following requirements:

1. The student will actively participate in his/her religion class.
2. The student will follow the Order of Christian Initiation of Adults (OCIA) adapted for children.
3. The student will be received into the Church through Baptism or Profession of Faith at the Easter Vigil celebration during which time he/she will also be Confirmed and receive the Eucharist for the first time.

A second grade student may then also participate in his/her class' First Communion celebration on the designated day. The celebration of Confirmation is reserved for those who have not been confirmed, but a previously confirmed eighth grade student may assist at the Confirmation Liturgy of his/her classmates.

These norms are in keeping with the expectations of the universal Roman Catholic Church regarding reception into membership of those of catechetical age and may be altered only in the event of medical emergency.

STUDENT AND PARENT HANDBOOK

WELCOME

Dear Holy Rosary Parents,

On behalf of the administration, faculty and staff, I welcome you to a new school year. During this school year it is our goal to provide all students with an education that will prepare them to be successful in life; their life next year, five years from now and on into the distant future. We are proud of all of our graduates and what they have accomplished in their lives. This type of success can only be achieved through hard work, cooperation and dedication.

The students need to adopt an attitude of achievement, which can only take place through hard work. Knowledge is not obtained by taking the easy route. Our students must strive to do what it takes to gain that knowledge. Sometimes it means a couple hours studying that math concept they just don't get, other times it means writing until your fingers hurt. I don't mean that we will give them so much work they will be staying up all night to finish, but sometimes, to succeed, we have to put in a little extra effort so we can master that difficult concept. We ask our students to push themselves further than they thought they could go.

From the parents we need cooperation. Holy Rosary parents have a great history of cooperation. This school would not be the institution it is without the help they have provided over the years. We ask that you continue that tradition of cooperation so we can make Holy Rosary even better and so we can continue to produce the type of students who thrive in high school and beyond. Parents play a vital role in the education of their children and we want to coordinate our efforts with you so we work for the same goal. For our veteran parents we ask that you reach out to our new parents/families and show them what it means to be a member of Holy Rosary. Take pride in what you have helped to build. We ask our parents for continued support of our students, administration, faculty and staff.

Our faculty and staff have to show an undying dedication. In today's society schools are asked to do much more than teach. At times we find ourselves caring for our students in regards to their health, their nurturing, their social life and the list goes on, all the while providing a learning environment in the classroom in order for all students to succeed. Dedication is one quality any teacher at a Catholic school must have to accomplish all that is asked of them. We ask our faculty and staff to dedicate themselves to Holy Rosary and their students.

Through all the activities, classes and events that go on during the school year we must always remember the reason this school exists, Jesus Christ. He is the model for all of us, so we will continuously put Christ at the center of those activities, classes and events. Thank you for joining us for this journey through the school year 2026-27.

Sincerely,

Darren Mullis

CHILD ABUSE AND NEGLECT

As required by state law, schools officials, personnel, employees or board members who have knowledge or reasonable suspicion of child sexual abuse, child abuse or child neglect will report such knowledge or suspicion to the Department of Children's Services and/or to appropriate law enforcement officials. Such reports involving child sexual abuse that is known or suspected to have occurred on school grounds or while the child was under the supervision or care of the school, will also be reported to the parent(s) or guardian(s) of the student.

The principal shall immediately inform the President of the Catholic Schools and Director of Human Resources who shall initiate the investigation procedure established by the Diocese. Visits from the Department of Human Services are to be expected. Full cooperation should be afforded to the Department representative after proper credentials are presented.

Students are encouraged to discuss with their school counselors any knowledge or suspicion of such abuse or neglect.

DRIVING/PARKING ON SCHOOL PROPERTY

Drivers will not exceed **15 MPH**, drive recklessly on school property or use cell phones or other electronic devices while driving. Parking is permitted only in designated parking areas.

USE/PROTECTION OF SCHOOL FACILITIES/PROPERTY

Students are expected to care for and protect all school property and to compensate the school for damages resulting from the loss, destruction or defacement, whether willful or accidental, of school property. Willful destruction or defacement of school property will also subject a student to appropriate disciplinary procedures.

Scheduling for the use of any school facility must be requested and coordinated with the school principal. School facilities shall not be used by individuals or groups holding views contrary to the teachings of the Catholic Church.

COMPLAINT/GRIEVANCE PROCEDURE

The Diocese desires that problems be solved at the most direct level whenever possible. Parents or students should first attempt to resolve conflicts, concerns or complaints regarding classroom issues or

STUDENT AND PARENT HANDBOOK

other students with the teacher or other staff person involved. If the issue is not resolved, the parent or student should attempt to resolve the issue with the principal or assistant principal.

If the issue remains unresolved, the parent or student may file a complaint with the pastor for parish schools or the President of the Catholic Schools.

ACCEPTABLE USE OF TECHNOLOGY RESOURCES

Students and their parents must annually agree to the school's acceptable use policy prior to the student using school technology resources.

CELL PHONES/ELECTRONIC DEVICES

Student possession of electronic devices, video games, Apple watches, cameras or other personal electronic devices on school property or at school related functions is prohibited. Some schools may allow cell phones to be carried by students but must be turned off and stored in purses, backpacks or other containers during school hours. Violation of the policy will result in confiscation of the electronic device, which will be returned only to a parent or guardian. Multiple offenses will result in confiscation of the device until the end of the school year.

Students are prohibited from photographing or video-recording students or school personnel without their specific permission. Violation of this policy may result in suspension or expulsion at the discretion of the principal.

SMOKE-FREE ENVIRONMENT

Smoking and the use of tobacco products in school facilities or on school grounds, including inside vehicles on school property is prohibited. Catholic Schools and their campuses are non-smoking areas.

During athletic events, smoking is not permitted in the seating areas or the areas around the playing fields.

LOCKS AND LOCKERS

Like other school property, students are expected to care for and protect lockers and to compensate the school for damages resulting from their destruction or defacement, whether willful or accidental. Willful destruction or defacement of lockers will also subject a student to appropriate disciplinary procedures.

All students will secure their lockers with combination locks given to them by the school. All combinations will be on file with the school. School officials may inspect lockers at any time.

The school is not responsible for lost or missing personal items whether stored in the locker or elsewhere.

SEARCHES AND INSPECTIONS

Students should have no expectation of privacy on any school property, including but not limited to lockers and desks, or in electronic devices or backpacks, or other containers brought onto school property or to school events.

STUDENT AND PARENT HANDBOOK

Lockers and desks, provided for student use, are the property of the school and are subject to search or inspection at any time. School administrators or their designees may search students' personal possessions, including but not limited to, backpacks, sports bags, purses, and electronic devices if needed to investigate a potential violation of law or of Diocesan or school policy or rule.

A student may be subjected to physical search when necessary to preserve the order, discipline, safety, supervision or education of students. Such searches shall be conducted in private by a school administrator or administrator's designee who is of the same gender and with an adult witness present unless an emergency circumstance prevents compliance with this requirement. If illegal or contraband materials are found, they will be turned over to appropriate legal authorities.

SCHOOL MEALS

Because children learn best when well nourished, all students are required to eat lunch. Students may bring lunch from home or buy a hot meal from the cafeteria. No soft drinks are allowed in a sack lunch. No delivery of lunches are allowed. Door Dash, Uber Eats, etc. are not allowed for children. Parents may bring lunch but it must be either before the lunch period starts or at the exact time.

Holy Rosary students are expected to use proper table manners and refrain from boisterous behavior during lunch. Each homeroom is responsible for cleaning the area around their table.

The cafeteria's automated lunch payment system has been set up for family accounts. All children in a family charge lunch items to the same account. At the beginning of the school year we are asking all families to deposit a minimum of \$50.00 into their account. Notices will be sent through Renweb by email when your account becomes low. In the event that your account has a negative balance, your child will be allowed to buy lunch or milk but not extra items just for that day. The negative balance should be taken care of by the next day. If you have a negative of more than \$30.00 your child will be given an alternative lunch. End of the year report cards will be held until all money due the cafeteria is paid.

TELEPHONE USE

School telephones are readily available for student use with teacher or school personnel permission. Students are not allowed to use school telephones without permission. School personnel will assist students in an emergency. Cell phones are not permitted on campus during school hours. Any cell phone used during school hours will be confiscated and must be picked up in the principal's office by a parent.

TEXTBOOKS

Hardbound textbooks and other instructional materials are rented to students. Rental cost is included in the book fees. Students are solely responsible for the care and appearance of textbooks. Books must be covered at all times. Book covers that become worn or torn must be replaced immediately.

Students are charged for damaged books and materials. The charge for a missing or destroyed textbook is the retail replacement cost. When a textbook is lost, the student has five days to pay for the book and receive a replacement. During this five day period, the student may make a copy of his/her homework

STUDENT AND PARENT HANDBOOK

assignments. Each textbook must be turned in at the end of the school year. If a book is lost or damaged, the student is responsible for the replacement cost of a new book.

With a deposit, recommendation from the teacher or administration, and a diagnosed learning disability, an extra book or set of books may be claimed by a parent for use at home if extra books are available. These books will be checked out through the school office and returned to the office at the end of the school year.

CLASS PARTIES

Class parties are planned for the following: Feast of the Holy Rosary, Halloween, Valentine's Day, Christmas and end of the year. No birthday parties are allowed for any grade; however, birthday treats may be given for grades 2K-5 only during lunch or snack. Party invitations may be passed out at school only if they are given to the entire class or to all boys or all girls, otherwise they must be mailed. 6-8 grade student birthdays are recognized monthly during lunch with a school provided treat for all.

FOOD ALLERGIES

Students with food allergies will be accommodated to the extent practical for the school. The parent or guardian should notify the school in writing with a plan of action for the student's condition depending on its severity.

LOST AND FOUND

Students or others who find clothing, jewelry, books, money or other articles should turn those in to the school office. Lost items will be returned if ownership is identifiable. If ownership is not identifiable, items will be kept and may be reclaimed by owners who accurately describe them. Items not reclaimed in a timely manner will be discarded or charitably donated. All student property should be labeled for easy identification.

GENDER POLICY

Holy Rosary School follows the Diocese of Memphis policy on gender.

PARENTS

SERVICE OPPORTUNITIES

Parents are considered partners of the school in the education of their children. In addition to encouraging their children in good study habits and proper sleep, nutrition and exercise, parents are encouraged to volunteer their time in any of the following ways:

- Serving as classroom room parents
- Assisting with special events
- Fund-raising

Teachers and parents or guardians are encouraged to communicate throughout the school year by phone, written notes or letters, e-mails, text messages, on-site meetings or newsletters. Social media should not be used for such exchanges between teachers or other school officials and parents. The principal of a Catholic school in consultation with the President of the Catholic Schools shall have the authority to ask a student to withdraw from school if he/she is residing in a home where natural/foster parents, legal guardians, or those, who have, in writing, been delegated to act as parents or legal guardians in unusual circumstances, do not also reside.

The enrollment fee for new students is \$200.00 per child. The enrollment fee is in addition to regular tuition and is non-refundable.

Student Placement

The Administration asks that parents not request particular teachers or classmates for the coming year. The administration believes that the school is in the best position to determine the teacher and class composition that will best serve each individual student and each collective class. A significant amount of evaluation, conferring, and study is done prior to each student's placement. In addition, composing class enrollments and matching students with particular teachers involves a great many variables that are best coordinated by the administration and faculty of the school. Information that is confidential often is involved in the class placement process. Therefore, the administration does not guarantee specific class placement, nor can the administration guarantee complete satisfaction regarding class composition. The administration appreciates your understanding and trust in this matter.

If such effort does not correct the situation, then after consultation with the President of the Catholic Schools, the principal may require the parents/guardians to withdraw the child. ATTENDANCE

Philosophy of Attendance

At Holy Rosary Catholic School, attendance is essential to academic success, community responsibility, and personal formation. As a Catholic school, we believe that each student is called to stewardship of their time, gifts, and responsibilities. Regular attendance reflects commitment to learning, respect for others, and accountability within our school community.

ABSENCES/TRUANCY

Students are expected to be present for the entire time schools are in session according to the school year. **School begins at 8:00 for all grades.** Attendance will be checked and recorded daily for all students. Whenever a student must be absent from school, a parent or guardian must contact the front office and homeroom teacher before 9:00 am to report the reason for the absence. Written excuses shall be required and filed for all absences.

Absences must be documented by a note from a parent or health care professional to be considered as excused. Students with excessive absenteeism will be considered to be truant. A student who has been absent for three (3) days must present the school with a certificate from a health care professional.

STUDENT AND PARENT HANDBOOK

EXCUSED ABSENCE

A student may receive an excused absence for these reasons:

1. Personal illness, serious illness or death of someone in the immediate family.

3. Funerals - Students will be excused to attend funerals of family members.
4. A required court appearance of the student.
5. Religious observances

An excused absence entitles the student to make up all work and tests within the same number of days absent (2 days absent - 2 days makeup time), with no points deducted from the nine week grade. When the absences exceed five consecutive school days, the parent and teacher should agree to a deadline for the submission of the work.

Documentation Requirements:

- After 3 consecutive days, a doctor's note is required
- Repeated absences may require medical documentation at the school's discretion

UNEXCUSED ABSENCE

A student will receive an unexcused absence for these reasons:

1. No parent/guardian contact is made

home. Students who are seriously ill or who constitute a danger of spreading illness to others will be expected to be picked up by the parent or guardian.

When there is an illness going through Holy Rosary which affects one-third of our student body, faculty, and staff we will dismiss school the following day. This will be done for several reasons. First, to give those who are ill some time to concentrate on recovering without worrying about making up work. Second, to keep the illness from affecting those students who have not yet been sick. Lastly, to give the school time to rid the classrooms of any germs that may be present.

MEDICAL EMERGENCIES/ACCIDENTS/INJURIES

Accidents reported on school property shall be reported immediately to the principal or pastor. A report shall be written describing the accident and follow up care. The Diocesan accident report form shall be used. A copy of the report shall be kept permanently in the school. MEDICATION POLICY AND FORMS

A Medication Administration form is available in the school office.

Administration of medication during school hours, on school property or while attending school events, must be medically necessary. Students may not receive or take any medication unless a Medication Authorization Form is completed and signed by the parent/guardian and, for prescription medications and over the counter medications, by a health care professional (physician, nurse practitioner, physician assistant or dentist) who is licensed to practice in Tennessee. The following conditions will apply:

1. A new Medication Authorization Form is required at the beginning of each new school year or at any time there are changes in the medication or its administration, including its discontinuation.
2. A separate Medication Authorization Form must be completed for each different medication.
3. The parent/guardian may complete the health-care provider section for non-prescription medication.
4. A physician's order and specific parental consent are necessary for self-carry/self-administration of emergency medications such as inhalers or *Epipens*. A notice signed by the school principal authorizing a student to self-carry/self-administer medication will be kept by the student at all times on school property, during the school day.
5. Medication must be delivered to the school by the parent/guardian, or in special circumstances, by another responsible adult approved by the parent/guardian. Such approval shall be in writing and submitted to the school in advance of delivery.
6. All medications provided to the school must be in the original container and labeled by the pharmacist with the student's name, name of medication, dose, frequency, method or route of administration and any special instructions, including but not limited to adverse effects that may reasonably be expected and contraindications to administering the medication. Non-prescription medication must be in the original container with the manufacturer's label intact and clearly labeled

STUDENT AND PARENT HANDBOOK

with the student's name. The parent/guardian assumes full responsibility for maintaining a current supply and the appropriate transportation of medication.

7. Medication delivered to the school will be recorded by student name, medication name, date of delivery, quantity delivered and expiration date. Medication will be stored in a secure location accessible on an as-needed basis. The principal or principal's designee will reconcile the supply of all medication with the administration logs no later than the third school day of each month. Under no circumstances are students allowed to have any kind of medication in their possession except for approved inhalers or epipens that have been registered in the school office.

8. Staff members who assist in the administration of medication will maintain a log of such administration. Medication logs will be signed by the staff member.

9. The first day's dosage of any medication must be administered at home before it will be administered by school personnel.

10. The school principal will designate a member of the school staff to administer the medication. Staff members will be trained to verify that the administration is consistent with instructions on the authorization form and medication container at the time of each administration.

11. A staff member chaperone will be assigned to carry medication (other than self-carry/self-administer medication) that must be administered during a field trip or other off-campus event. The staff member will be responsible for the proper storage and administration of the medication while off campus.

12. The parent/guardian will be notified if students fail to report for or refuse to accept administration of medication that has been authorized by the parent and, if required, the health care professional.

13. Medication prescribed on an "as-needed" basis will not be administered by school personnel without, in addition to the Medication Authorization Form, a statement of permission signed and dated by the parent/guardian and specifying the requested day(s) of administration.

14. Unused medication will be destroyed if not claimed by the parent/guardian within five working days of the end of the school year, the expiration date of the medication or the discontinuation of the medication, whichever is earlier.

15. Failure to register medication will lead to a presumption that such medications are not lawfully in the possession of the student.

16. The parent/guardian must agree to release the Catholic Diocese of Memphis, its Board, directors, employees and agents from any and all liability, claims and actions that may arise from injury or harm to his/her child provided school staff are following the health care provider's order as submitted on the Medication Authorization Form. The parent/guardian must further agree to indemnify and hold harmless the Catholic Diocese of Memphis from any claim arising from any wrongful act or negligent conduct by his/her child related to the possession or administration of medication.
