

HOLY ROSARY

NOTES & QUOTES

Mr. Mullis' Letter

March 18, 2026

I would like to take a moment to talk about the value and importance of Catholic education in the lives of our students and families.

A Catholic education is about more than academic excellence – though we certainly strive for that each day. At its core, it is about forming the whole child: mind, body, and spirit. In our school, students are not only challenged to grow academically, but also guided to develop a deep and meaningful relationship with God. Through daily prayer, the integration of faith into all subject areas, and the example of Christ-centered values, we help our students understand who they are and who they are called to be.

In a world that often presents conflicting messages, Catholic education provides a firm foundation rooted in truth, compassion, service, and moral responsibility. Our students learn the importance of respect for others, the dignity of every human person, and the call to serve those in need. These lessons are not just taught – they are lived out in our classrooms, hallways, and community.

Equally important is the partnership we share with you, our parents. You are the primary educators of your children, and we are honored to partner with you in nurturing their faith and character. Your support at home, your involvement in school life, and your commitment to our shared mission make a lasting impact on the lives of your children. We are deeply grateful for the trust you place in us and for the strong partnership we share. Together, we create an environment where students feel safe, valued, and inspired to reach their God given potential.

Thank you again for your continued partnership, your support, and your belief in the mission of Catholic education. Your commitment strengthens not only our school but our entire faith community. It is truly a blessing to work together in forming the hearts and minds of our students.

Have a great week,

Darren Mullis

EVIE LANE

PLAYERS OF THE WEEK

MARCH 2, 2026

We missed letting everyone know about these awesome players before Spring Break.

Elle Wilson had a dominating performance against WMCS. She had 4 blocked shots, 12 rebounds, and an impressive 26 points. High-fiving teammates as they made great assists, steals, and making shots. A true team player, driving the team to a 32-14 victory!

Evie Lane was on fire this week, owning both ends of the court and setting the tone for the RAMS from the opening tip. She poured in 10 points, multiple assists, and completely disrupted the other team with 16 steals. Her unselfish play and constant effort created shot after shot for her teammates, proving she is a team player!

GREAT JOB AND GREAT TEAMWORK, GIRLS!! GO RAMS!
