

HOLY ROSARY

NOTES & QUOTES

Mr. Mullis' Letter

March 20, 2024

In life, learning never ends. At least it shouldn't, if we want to continue to improve ourselves in the numerous aspects that make us who we are. To some people, our learning in life ends when we graduate from high school, college, or graduate school. This is why we try to help our students develop a love of learning, so that they will be life long learners. Here at Holy Rosary, we believe in helping our staff to continuously learn how to be a better teacher, how to reach each student, how to prepare their lessons, each unit, and the year; among numerous other topics.

We bring in different speakers throughout the year to help with this continuous learning or professional development. This year alone we have learned (or will learn) more about executive functioning, STEM, lesson planning, data analysis, classroom management, technology integration, and Social/Emotional Learning (SEL). Through coordination with Landon Boone, our staff takes Continuing Education classes for our Catholic faith. Many of our staff have been trained in the Orton Gillingham approach to teaching. While this method is generally used for students with Language Based Learning Differences, the techniques and strategies work for all students. Our Angel staff members are trained as Registered Behavior Technicians (RBTs). This helps them to better serve the students under their care. We also believe in learning from our peers, so we send our teachers out to visit other schools to see what practices those schools use in their classrooms. At our department meetings each month, our teachers share ideas, and effective strategies with each other.

There are more learning opportunities that I am sure I have not mentioned, but this gives you a sample of the many ways we work to be better for your children. Through this learning, our staff strives to be better teachers so that your child can reach their highest potential during their time at Holy Rosary.

P.S. - Holy Rosary also believes in helping parents to continue learning. When we have children, there is not a class we have to take to learn how to be a parent. Therefore, we need to look for resources that will help us raise our children to be the best version of themselves. Throughout the year, Holy Rosary tries to provide opportunities for parents to learn about various topics. Our counselors set up sessions for parents that deal with child development. The Holy Rosary Parent Organization brings in speakers to present on relevant topics for parents. This is done to assist our families with developing good parenting plans for their children.

Let's continue to work together so that we can give our children all they need to be successful in life; including a love for life long learning!

Have a great week!

Darren Mullis

PLEASE JOIN US FOR
OUR NEXT MEETING

Tonight

HRPO
Meeting

March 20, 2024
5:30-7:00 PM
Family Room

Dinner will be served!
Childcare will not be provided,
but children may accompany
parents, if needed.

It's time for Fish Fry!

Fridays during Lent

5:30 - 7:00pm

In the cafeteria.

Adults \$12. Children \$6

**Our Men's Club will be cooking up all
the homemade Fish Fry favorites.**

They will be hand breading fish to fry (no frozen patties here), scooping hush puppies, cutting potatoes, sprinkling lemon pepper and cajon seasonings for baked fish, and making sauce for seafood pasta. Of course, we'll have green beans, slaw, tea and lemonade, pizza for kids, and cookies for dessert.

Fish, Fun, and Fellowship every Friday during Lent!

If you don't have time to dine in, you can come in and get it to go!

Hosted by HR Mens Club

RACE FOR EDUCATION “FACT SHEET”

Are you interested in helping Holy Rosary School raise \$60,000 to maintain and upgrade security on campus and for essential educational needs?

Would you like to be involved in a fundraiser that successfully raised over \$57,000 at HRS during Spring 2023?

Would you be willing to give a minimal amount of time to help our school raise needed funds?

Race for Education is a jog-a-thon, which will involve our students walking and/or jogging around a 1/4 mile area for a one hour period of time.

Our **Race for Education** will be held on Friday, April 26, 2024.

“Kickoff” information about **Race for Education** will be sent home with each student on Wednesday, March 6.

The success of **Race for Education** is based on sharing your child’s personal fundraising webpage address with potential sponsors by e-mail, Facebook, Instagram, Twitter, or by sending individuals a sponsor mailer.

Potential sponsors may be family members, relatives, close friends, and neighbors. Don’t forget to include relatives and friends who live out of town and may not normally be able to contribute to other school fundraising efforts. **Race for Education** makes it easy for them to participate as well!

There are incentives and prizes to help promote the success of **Race for Education**, which encourage student & class participation (*Treasure Box Prizes, Jersey/Team T Shirt Days, Out of Uniform Days, Spin the Prize Wheel, Class Pizza Lunches, Movie Party, Bounce House & Popsicle Party, Game Truck, \$100.00 Target Gift Cards, First Place Medals*).

Race for Education is great fun for students, and it will fully benefit our school’s campus security and educational program!
