

HOLY ROSARY

NOTES & QUOTES

Mr. Mullis' Letter

May 21, 2025

From our youngest days, summer has always held a special place in our minds. Summer is the time of long days, outside fun, lakes, beaches, playing ball, lounging...oh wait...that was my childhood. Nowadays its staring at your phone, sleeping, playing video games, sleeping some more, and bugging parents to take you to your friend's house. Whatever your summer looks like, I hope it brings you and your family rest, fun and family time. Every summer has its own memories. Some of my best memories came about because of mishaps or unfortunate circumstances. In the summer of 1980, our air conditioning went out during the hottest heat wave on record. Here are some stats from that summer.

- Record-Breaking Temperatures: On July 13, 1980, Memphis reached its all-time record high of 108°F (42°C).
- Extended Period of Extreme Heat: Memphis experienced a grueling 15-day stretch, from July 6th to July 20th, with temperatures consistently exceeding 100°F (38°C).
- Warmest Month on Record: July 1980 remains the warmest month ever recorded in Memphis.

The benefit of this unfortunate circumstance was that we spent a lot of time at the lake water skiing that summer. What this summer has in store for us is unknown, but I hope your good experiences outweigh the mishaps or unfortunate circumstances. And don't forget to wear your sun screen!

Friday we will have an All School Mass (K-7 grades) followed by the presentation of two awards; one for perfect attendance and the other for students who made all A's, all year. After the awards, each grade will return to their classroom to pass out any other awards the students earned (Jr. Hi. will do this in the church). Then, it is time for the Last Day of School activities. The different grade levels have fun activities planned to close out our school year. The last day ends at noon and summer vacation begins!

If you have not already done so, please be sure to volunteer to help at the Memphis Italian Festival. There are shifts throughout the day and evening so, hopefully, you can find a time that works for your schedule. Our junior high students can earn service hours for next year by volunteering for the festival. Any amount of time helps to make the festival a success. You may visit the MIF website to volunteer, memphisitalianfestival.com. Bring your family and friends out and enjoy a fun evening of music, food and beverages each evening. The success of the festival helps to keep our sports fees low and allows us to invest in new team uniforms, upgrade the facilities, and maintain the fields among many other items. Thank you for your support!

Have a great summer,

Darren Mullis
