## NOTES & QUOTES

### Mr. Mullis' Letter

September 11, 2024

As I mentioned in my last letter, our Spirit Week is coming up next week and if you know anything about our Spirit Week, then you know it will be a crazy, fun-filled week. The students love to express themselves in the many ways that they are allowed to during this week. Be sure to check the information in today's newsletter so that your child will be prepared for each of the themes. We love to see the creativity our students show each year as they express their school spirit. Also, part of Spirit week activities is to go out and support our athletic teams. We are providing a schedule of all our games for this week in the newsletter. The students who attend these games or matches, will earn points for their grade. To get credit for going to the game, the student has to take a selfie at each game they attend and send it to Coach Bre. The grade with the most points at the end of the week will win a pizza party. Friday we end our week with a pep rally to recognize our fall sports teams. If you love a lot of noise and fun activities, come to the pep rally. You may want to bring some ear plugs with you. It truly is a spirit filled week, a lot of fun, and something the students thoroughly enjoy. Go RAMS!

Over the next few months our eighth graders will go on their high school visits. These visits are to the Catholic high schools in town; St. Benedict, CBHS, and St. Agnes. This gives the students a chance to hear what each of the schools has to offer and get a feel for the environment. Once they have completed the visits, we hope it helps the families make an informed choice on their high school decision. Each of our Catholic high schools have much to offer spiritually, academically, socially, and athletically. It is important to weigh the pros and cons of each so that you see which one will be the best fit for your child. We always tell our students to go in with an open mind and ask questions. There might be something one of these schools has to offer that you were not aware of, which could sway your decision. This is also the beginning of our eighth graders transition to high school. After their years at Holy Rosary, they are starting the process of researching the schools, applying to, and then enrolling into high school. It is a big step for them and one we hope to guide them through along with their parents. Before you know it, they will be graduating from Holy Rosary and eagerly anticipating their freshman year. Please keep them in your prayers that God will also guide them through this year and with this decision.

Lastly, as we begin taking field trips don't forget to turn in your Drivers Verification form. The reports have to be on file before you are eligible to drive on a field trip. You may get a form from Mrs. Tracy Thompson in the school office or they are located on the school website - [holyroarymemphis.org](http://holyroarymemphis.org) - on the "Forms" page.

Have a great week!
